

Positives of More Tutors

Hiring Process

- More tutors solves the problem of students seeking help from teachers

Jerard Austin

Grouping a number of students with 1-2 tutors

- With students being paired in groups allows the tutor(s) to move around without being swarmed by students throughout the class

Jerard Austin

Ensuring the growth and learning of students during tutoring

- Tutors can help/motivate students to become better

Jerard Austin

More Flexibility

Jerard Austin

Negatives of More Tutors

Spending More

- It takes away from the school's funds and spending (even though they have plenty of it)

Jerard Austin

Hiring inadequate employees

Jerard Austin

Students becoming too dependent on tutors for them to learn

Jerard Austin

Limited Space and Resources

Jerard Austin

Potential Miscommunication

Jerard Austin

Overall Problems

Limited Availability of Tutors

Jerard Austin

Inconsistency

Jerard Austin

Inadequate Training
